YOGA: This style focuses on form, precise alignment and awareness. The subtleties of engaging our bodies within each pose are carefully demonstrated. Most suitable for people who have concerns about new (or old) injuries and/or movement restrictions. Expectant Mothers Welcome. It is taught in the tradition of BKS Iyengar.

VINYASA: is generally known as Flow Yoga. Here, the emphasis is on linked poses, the breath and fluid movement. These classes are fun and slightly aerobic. For all levels.

PILATES: The small movements of Pilates improve balance and core strength. It does this in part by reinforcing the bond between the mind and the body's muscles in the core. This leads to better posture and may ease chronic low-back pain.

ADDITIONAL COURSES

IN PERSON COURSE:
Meditation & Mindfulness at Amba Yoga
Tuesday Nights at 7 pm* with Ken Taub
Beginning September 22, 2020

IT IS POSSIBLE to alter our reactions to life's upsets and steady our minds, even in difficult times. We can, in fact, move from anxiousness to awareness, and from stress to breath. IN THE MIDDLE of major change, tumult, and uncertainty, we can go from feeling overwhelmed -- or "under water" -- and learn how to surf life's nonstop waves.

COME JOIN US for a personal adventure in guided meditation and visualization, quiet Zen-style sitting, and discussion to bring forth the kind of presence and inner strength these times call for.

COST: \$20 per individual class or 3 classes for \$50.

EACH CLASS is approx. 75 minutes each Tuesday night, starting at 7 pm*

***NOTE 1:** if Tuesday night Vinyasa Yoga classes start up again this fall, then our meditation class will move back to an 8 pm start time.

NOTE 2: Please bring your own meditation cushions if you have them. If we have to provide you with chairs or cushions, we will ask you to bring your own towel to cover it. We will limit each meditation class to eight (8) people to ensure proper distancing. Turnout, the state of the pandemic in our area, Suffolk Dept of Health and NY State directives will all determine how long the meditation course will go. If everything holds steady or improves, there will be nine (9) Tuesday night classes between 9/22 and 11/24, with no class on Election Day, 11/3.
